- PICK UP AND DROP OFF
- CLEANING SCHEDULE
- CAMPERS GUIDELINES
- GAMES AND ACTIVITIES
- FIELDTRIPS
- LUNCH
- CAMP SIZE
- STAFF

BEST SUMMER EVER

BEST SUMMER EVER

DROP OFF

- Parents remain in the car and will drop campers off. A staff member will greet them by opening the door & take their temperature.
- Campers will be signed in by a staff member.
- Campers will leave their shoes on and will put their bag and lunches in the designated area.
- Then immediately wash their hands.

PICK UP

- Text or call the Dojo Camp cell and we will get your child ready to leave.
- A staff member will walk the camper to the car and sign them out.

CLEANING SCHEDULE

- After each activity staff will disinfect any equipment used.
- Mats will be cleaned by a commercial antibacterial disinfectant twice a day.
- Bathrooms will be disinfected three times a day.
- Once buses are used, we will use the same antibacterial disinfectant to spray down and clean the buses after each use.

BEST SUMMER EVER

CAMPERS GUIDELINES

- Every camper will have their own designated area for their belongings.
- Every day camper brings a lunch, 2 snacks and a water bottle.
- They will be screened at the door and if any symptoms are shown through out the day campers will be placed in the isolation area until they can be picked up.
- Campers will be in a small group of 10 or less kids. To the best of our ability they will stay with this group and the same coach throughout the week.
- We will do our best to keep social distancing between groups
- There will be hand washing every hour on the hour with hand sanitizing stations throughout the Dojo.

Lunch

- During lunch campers will have a 6ft social distance to keep campers from sharing food.
- Camp staff will wear rubber gloves during lunch to help assist campers.

BEST SUMMER EVER

GAMES AND ACTIVITIES

- During games and activities we offer fun and safe ways for campers to enjoy themselves.
- Campers will not participate in activities that would cause them to make physical contact with each other.
- The Dojo can not promise that campers won't contact another camper, but to the best of our ability we will create a safe environment.
- We will use equipment for games and will sanitize between uses. For example if we play dodgeball this will be done within a small group and the dodge balls will be sanitized before another group uses them.
- Any arts and craft supplies will be assigned to that group for the entire week. After each week those supplies will be sanitized.

Fieldtrips

- As of right now we will not take the campers off site. We will bring the fun to them! We are bringing the fieldtrips to them.
- Once restrictions lighten up and comfort levels increase, we will bring back certain fieldtrips that allow us to provide a safe and fun experience.

BEST SUMMER EVER

CAMP SIZE

- We are limiting the size of each camp based on the square foot of the Dojo.
- Camps will be 40% smaller than previous years.
- Campers will be placed in small groups of 10 or less.
- They will spend the bulk of their time with their small group.
- Once camp ends at 3:00, campers that are staying for extended care will wait in the same room. They will stay within their small group and we will do our best to keep them distanced from other groups.

STAFF

- All staff will be screened daily and will have their temperature checked.
- All staff will wear a face mask covering, as feasible.
- All staff will be trained on health and safety protocols.
